In the event that this Paper is late filed, and the necessary petition for extension of time is not filed concurrently herewith, please consider this as a Petition for the requisite extension of time, and to the extent not tendered by check attached hereto, authorization to charge the extension fee, or any other fee required in connection with this Paper, to Account No. 06-1378.

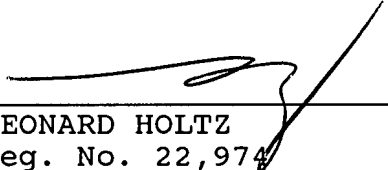

RECEIVED

PTO

The Office Action dated May 5, 1993 has been received.

1. The Examiner did not act on the Information Disclosure Statement filed February 19, 1993. It is respectfully requested that the Examiner act thereon. For the Examiner's convenience, attached hereto is a photocopy of the form PTO-1449 filed February 19, 1993 and a copy of the return receipt postcard evidencing receipt by the Patent Office. It is respectfully requested that the Examiner return an initialled form PTO-1449 to confirm that all of the references cited by Applicants have been considered and made of record.

2. On page 1 of the Office Action the Examiner indicated that non-elected claims 13-22, 24, 25 and 27-30 have been cancelled. This is not the case. These claims have not been cancelled. The Examiner should have indicated that these claims are only "withdrawn from consideration" on page 1 of the Office Action. In this regard, it is noted that on page 2 of the Office Action the Examiner indicates that the non-elected claims are withdrawn from further consideration. It is assumed that the indication of cancellation of the non-elected claims on page 1 of the Office Action is in error since these claims have never been cancelled by Applicants.

Respectfully submitted,

LEONARD HOLTZ
